

ENVIROMENTAL POLICY STATEMENT

SET Scope: Project Management, the design and manufacture of tooling for the injection moulding industry

SUK Scope: The manufacture and assembly of injection moulded automotive components

The Managing Director, Directors and Managers of both Sanko Group companies accept their responsibility to develop, establish and maintain a joint strategy, and a common documented system, which ensures that their shared site maintains compliance the requirements of ISO 14001 and all relevant legislation.

It shall be the responsibility of the Managing Director to lead the company towards achievement and maintenance of a conscious, forward thinking policy, which shall be proactive rather than reactive, in line with accepted standards, and consistent with other site-based systems, i.e. Quality Management and Health & Safety.

Day to day management of the policy is assigned to relevant levels of management at Sanko Gosei UK Ltd. However, this does not exclude the consideration, care and attention of all employees.

Each company is committed to protection of the environment through continual improvement of the environmental management system. This will be achieved through ongoing review of the nature, scale and environmental impact of site processes and by the setting and review of objectives and targets.

Commitment to a responsible and caring attitude towards the environment shall be demonstrated by maintaining certification to ISO 14001 and compliance to government and customer regulations. In so doing, provision for suitable training of employees and the encouragement of open communication across each organisation, shall be maintained.

We shall make every effort to minimise environmental impacts in the development of our future business by preventing pollution, mitigating climate change and the application of a “reduce, re-use, recycle” policy, in order to conserve natural resources.

This policy statement shall be made available to our customers, suppliers, contractors and other interested parties via our website at www.sankogosei.com
